

Flattest. Catchline. Ever.

Crowdchaser is like Northwest, but flat and full of people, also the catchline should be a part of the nordic area. Groomers can be nice tho

Jerry's, Families and ski school

Bend Beer Shobs

Home to Homo Parkratus, a species that doesnt know what synthetic clothing is

Would be quite nice if it wearn't for the liftlines and rich Jerry's

The largest snowbank youve ever seen

"9000 feet really gets me out of breath"

Seldom open since the Powder takeover. Icy as S\* it 95% of the time, but when theres powder, Oh, Baby

On a powder day come here around 1st chair to watch piners try nordic.

Around 4pm on a holiday weekend this is more dangerous than any skiing in the world

Beautiful lift served backcountry skiing

Ice and wind

More ice and Wind

The most expensive mexican food youve ever bought

Wonderful in powder unless its warm. Best Bowl lapping on the mountain. dont come here in powder leave it all for me

When they groom this you can hit 90

Nice groomer cruising and bumps, best part of the mountain when Northwest and summit are closed
